What Fran Berman Can Do for You

Fran Berman, MBA

Speaker ♦ Author

Make your meeting a success with award-winning speaker, Fran Berman. Fran's audiences appreciate how she carefully explains complex concepts in everyday terms so that they can easily relate those concepts to their own lives. Her informative and entertaining keynotes, customized programs, and content-rich support materials provide practical techniques, share valuable insights, and motivate audience members to act!

- Tailor an informative, entertaining program to meet the needs of your audience and organization
- Kick off your event with an energizing keynote
- Deliver a powerful closing session that inspires everyone to immediately incorporate new ideas
- Provide substantive support materials rich with concrete how-to's
- Moderate lively panel discussions
- Emcee your event with professional polish
- Facilitate your organization's retreat or strategic planning meeting
- Develop plans and success measurements with your project team
- Deliver more than one program per day or per conference/event

To hire Fran for your upcoming event or to request an information packed press kit and entertaining video brochure, simply call us at (949) 643-0803 or e-mail us at info@franberman.com. We will rush materials to you for your consideration.
